For Beautifying Your Hair

The Ladies in this Town are Simply Going Wild over Harmony Hair Beautifier. And no wonder, because to make the hair lustrous, soft and silky we believe there's nothing else—and we sell about all the various hair preparations made—that anywhere near comes up to Harmony Hair Beautifier.

Ask any one of the many women in this town who use it—she'll tell you she "loves" it. Just look at her hair, and you'll come to us and get some yourself.

HARMONY HAIR BEAUTIFIER

Is just what its name implies.—Just to make the hair glossy, lustrous, more beautiful.—Just to make it easier to dress, and more natural to fall easily and gracefully into the wavy lines and folds of the coiffure.

It leaves a delightful fresh and cool effect, and a lingering, delicate perfume. Will not change or darken the color. Contains no oil; therefore doesn't leave the hair sticky or stringy. Simply sprinkle a little on your hair each time before brushing it. But first, make sure that your hair and scalp are clean, by using

Harmony Shampoo

—A liquid shampoo to keep the hair clean, soft, smooth and beautiful. It gives an instantaneous, rich, foaming lather, penetrating to every part of the hair and scalp. It is washed off just as quickly, the entire operation taking only a few moments. It leaves no lumps or stickiness.—Just a refreshing sense of cool, sweet cleanliness.—Just a dainty, pleasant and clean fragrance.

—Both in odd-shaped ornamental bottles, with sprinkler tops.

YOU LITTLE MORMON GIRLS, PATRONIZE HOME INDUSTRY

And, Boys, These Two Marriageable Girls Have an Inheritance.

By the way, what is the matter with the Price boys of marriageable age, possessed with sufficient nerve to attempt to support a wife? There are at least two young ladies in this very city, the biggest little one on earth, that want to get married. One of them is 15 and the other is 13, and yet they have to advertise away back in St. Paul, Minn., in hopes of finding a congenial companion. What's the matter with Price boys? And, also, young ladies, if you want a real good husband try the columns of The Advocate. In other words, patronize home industry. Besides, a young man from this particular section would not only be acclimated to this altitude, but would not have any conscientious scruples, whether he was a Jew, a Gentile or Mormon, of hitching up with a Mormon girl, while on account of an unreasonable advertising campaign against Mormonism in the East an outside man might think that several wives would be forced upon him the minute he entered the Beehive state. The following notices are taken from the matrimonial journal, Cupid's Columns, published at St. Paul:

PRICE, Utah.—"Oh! boys, how nice it would be, if you would write to me." Am a very handsome Mormon lass of 19 years, have light blue eyes, very fair complexion and golden hair, have a very sweet and good natured disposition, play the cornet and violin, and have a good education. can cook and keep house, American, 5-7 tall, wt. 107 lbs. Will inherit property and \$3000.

PRICE, Utah.—"Here you are boys!" I'm a jolly young lady, not loud or boisterous though am "sweet 15" and never been kissed, considered very neat and attractive, am a high school graduate, American, Mormon, kind and loving disposition, play piano, have some means and will inherit \$5000.

OPEN TROUT SEASON FROM FEBRUARY 15 TO MARCH 31

Spring Angling Permitted Under Act Passed in 1913.

A special trout and game fish season, provided for by the state legislature last year, will open in Utah on February 15th and will continue until March 31st. Fishing will be permitted in every river and lake in the state except Panguitch, Fish and Strawberry reservoirs, lakes, in which the fish will be protected.

The regular trout and game fish season in Utah is from June 15th to December 1st. Owing to the fact that many rivers, lakes and streams in the state were found to be crowded with trout and game fish, the state fish and game authorities recommended to the legislature that a spring fishing season be inaugurated. It is believed with the early season better results will be obtained in the propagation.

The bill became a law on March 11th, from which day the early season was open until March 31st. According to the fish and game authorities, the best fishing for the early season will be found in Provo and Weber rivers and in Blacksmith Fork in Cache county.

The special duck season provided for by the state legislature last year, and which was in effect in 1913 from February 15th to March 15th, will not be in effect this year. The season was declared by the legislature for one year only. The regular duck season is from October 1st to December 31st.
